2011

MERRY CHRISTMAS AND HAPPY NEW YEAR

What a WONDERFUL year this has been. Some of us have experienced some of the hardest times of our lives. But through them we have met each other and become valuable/lifetime friends. We are so humbled and honored to be a part of your lives. May the Lord be with you all this coming year. And remember, we are here to help you in any way that we can.

We would like to thank all of you who filled out and returned the Evaluation cards. We have had an overwhelming amount of positive feedback. This really goes to show that we as a WHOLE are making a difference in family's lives. We will be giving out our NEW Provider Appreciation Pins to those who have gone above and beyond for either their individual receiver or another team member they work with.

Housekeeping/Laundry/Meals/etc.
Don't let your gift get put in a garage sale next year.
Give them the gift of HELP.

Provider of the Month:

Patricia Gruntkowski

Pat has been with us since Jan. 2010.

She has been a compassionate/kind/loving caregiver to all of her families.

Pat will be receiving \$50.00 as a Thank You from all of us here at Seniors Helping Seniors.

This person will be chosen from the comments and evaluation cards we send out all of our clients. We will also have comments and evaluation cards available for all of our Providers to fill out for each other as well. Please call 440-935-3848 if you would like us to send you one.

We have started a New Reward Program to all of our Providers. Whenever we receive a positive feedback card from either a client you work for, or another provider that you work with you, will receive a Seniors Helping Seniors pin. This pin should be attached to the red name badge strap that was provided to all of you. This is not only a way to say thank you from all of us. But also a way for others to see just how you have gone above and beyond in helping others.

Happy Birthday

MISSION STATEMENT:

To provide our seniors with the ability to choose an independent lifestyle in their own homes, for as long as possible, with the dignity and respect they deserve by finding caring seniors to help each other. The goal of Seniors Helping Seniors is to find caring seniors who can provide a service to other seniors in our community or who want a service that other seniors can provide.
