

NOVEMBER NEWSLETTER

SENIORS Helping **SENIORS** 

2011

Dear Caregivers and Families,
We are excited to share a brand new way of communication. Starting this month each of you will receive a monthly newsletter to help keep you up to date with all of the happenings here at Seniors Helping Seniors.

Each month Seniors Helping Seniors® will include any important up to date information that may be needed to better serve our clients. We would also like to include things such as Birthdays, NEW caregivers who have joined our team, and much more!

Thank you **ALL** for being a part of Seniors Helping Seniors.
Please feel free to send an email to Sarah at sarahcaringseniors@yahoo.com if you have something you would like to share something for next month.
Or you can call her at

Evaluation Cards

These cards will be given to all of our families. We would like for everyone to fill them out so that we can make sure we are doing the best of our ability.

We are looking for not only suggestions or comments but also positive feedback as well.

Provider Of The Month:

We will be having a Provider of the Month. The Provider that is chosen is one we feel exemplifies the mission statement of Seniors Helping Seniors.

This person will be chosen from the comments and evaluation cards we send out all of our clients. We will also have comments and evaluation cards available for all of our providers to fill out for each other as well. Please call 440-935-3848 if you would like us to send you one.

We are starting a New Reward Program to all of our providers. Whenever we receive a positive feedback card from either a client you work for or another provider that you work with you will receive a Seniors Helping Seniors pin. This pin should be attached to the red name badge strap that was provided to all of you. This is not only a way to say thank you from all of us. But also a way for others to see just how you have gone above and beyond in helping others.

ALZHEIMERS ASSOCIATION

Please feel free to join us for the monthly Alzheimer's meetings at the Cornerstone Methodist Church in Elyria next to the Red Cross. The meetings are from 6pm -7pm as follows: Nov. 10th and Dec. 8th.

MISSION STATEMENT:

To provide our seniors with the ability to choose an independent lifestyle in their own homes, for as long as possible, with the dignity and respect they deserve by finding caring seniors to help each other. The goal of Seniors Helping Seniors is to find caring seniors who can provide a service to other seniors in our community or who want a service that other seniors can provide.
